ADDITIONAL INFORMATION FOR WHEELCHAIR PLAYERS

Due to the fact that hotel is situated on a hill the situation for the wheelchair players is a bit difficult. The main hotel only have 2 specialised rooms for disabled people and all other wheelchair players will be in the Acapulco Spa & Resort Pine 2 hotel. All possible ways to the breakfast room, venue and other facilities in the resort are only to reach going up or down hills. Of course this is very difficult for people in the wheelchair.

Together with the organizer and the hotel we looked for possibilities to solve this problem and we came to the conclusion that:

“EACH WHEELCHAIR PLAYER NEED TO BRING OR HAVE A COMPANION IN ORDER TO GET AROUND AT THE RESORT”.

The following options are then possible with regards to the companion:

- a. Other players from the team agree to take this task at their responsibility.
- b. The wheelchair player bring a companion with him to take him around.
- c. The wheelchair players hire a person at the hotel who is responsible to do this.

With regards to A and B it is clear.

If a wheelchair player chose option C here are the details:

1. The person will be available from 08:00 AM till 08:00 PM
2. The costs to hire this person is 40 €per day and need to be paid upfront to the organizer.

For all wheelchair players the organizer will set up meeting points at each facility at the resort (breakfast room, venue, Main hotel and Pine 2 hotel) where people will be available to help the wheelchair players to get around from 08:00 AM each day till 01:00 AM.

This means of course that no help will be available after 01:00 AM each night to move the wheelchair players around. If they want to get somewhere else then within the hotel that they are staying in, then they need to arrange the help themselves.

We all know that this is not the ideal situation but it is the only way to keep the wheelchair competition within the EC Men & Women.

As always the EPBF, the organizer and the hotel will do all possible to help but sometimes there are limits to what we can do.
